

# Battery-powered FEIN MultiMaster

Battery-powered oscillator

Order number:: 7 129 22 61 06 0

The high-performance, battery-powered universal system for interior work and renovation with QuickIN and accessories for a wide range of applications.

- Self-supporting motor with vibration decoupling for outstanding vibration and noise reduction.
- High-torque motor with exactly the same power as the mains-powered version.
- Convenient accessory changes without the need for extra tooling with the QuickIN clamping system.
- StarlockPlus tool mounting with outstanding torque transfer, suitable for all Starlock and StarlockPlus accessories.
- Powerful 18 V Li-ion batteries with SafetyCell technology.
- Charge indicator on each battery.
- Integrated interface for attaching additional system accessories.
- Wide range of accessories available for all applications.

# Battery-powered FEIN MultiMaster

Battery-powered oscillator

Order number:: 7 129 22 61 06 0
