

Makinex Floor Stripper VS-125

Industrial floor stripper for removal of vinyl, carpet and cork

The Makinex VS-125 is a heavy duty industrial floor stripper for contractors, rental companies & renovators designed to remove materials such as vinyl, glued carpet & cork from floors.

Challenges on the Job:

- Having a transportable stripper, so I can work anywhere
- A cost effective stripper that actually works
- Having enough downward force over the blade to lift vinyl

Features & Benefits:

- 16kg weight positioned over the blade to get the job done faster
- Adjustable sliding handle height, to suit anyone
- Tool free set up, makes it quick and easy to use

Positive Results:

- Compact and reliable machine made in Australia, built to last

Testimonials:

"The removable weight gives great downward pressure on the blade which helps lift the vinyl." - Paul Makepeace, ERM Flooring
